*Thank you for making
2015 a great year!*

Every day our adult students amaze us.

Linda Savoy is a good example. She's made huge strides since working with us. Lou Lima, her Dunkin' Donuts employer, says,

"Linda is a more confident employee and willing to take on new challenges. It's like a light bulb turned on."

Linda joins us in thanking YOU. Your help makes personal transformations like hers possible. Your donations and our 335 volunteers keep our operations lean and efficient, so that 94% of our support goes directly into programming and student support.

Thank you for helping to strengthen our community through literacy.
