Bangor Area Breakfast

Rotary

Thank you!

Thank you for your support of the Bangor Area Breakfast Rotary Club. The main objective of Rotary is "Service above Self" — service in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. Rotarians also support programs for youth, educational opportunities and international exchanges and much more.

We appreciate your contribution this evening and hope you might consider attending one of our club meetings. We meet at 7:00 AM every Thursday at Rangeley Hall on the Sylvan Road in Bangor. Email kristy@linksadvantage.com for more information.

Eastern Maine
Community College

Funds raised from this event will support scholarships for Eastern Maine Community College students. The scholarships will help members of our community, many of whom would otherwise be unable to afford a post-secondary education. Through the proceeds of this event, the Bangor Area Breakfast Rotary Club has been able to donate \$10,000 each year to help fund EMCC student scholarships.
